

Rules:

To start, determine your transportation:

Roll an EVEN – Place token on CABRIO ‘0’

Else:

Place token on BIKE ‘0’

Any time during the game if you:

Roll a 1 – You become Jenny.

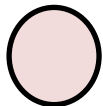

Roll a 5 – You become the Principal.

All on-board instructions to jump, and any additional instructions from Jenny or the Principal, should be carried out immediately.

If you jump to the Abi:

Roll an Even = “A” Students. Celebrate! Go to Chulos.

Roll an Odd = “B” Students. Boo. Go do circuit-training at Beach Volleyball Field (BVF)

Steps are numbered so that one can play remotely.

Uh Oh! Trouble! Follow on-board instructions immediately.

The Principal tells you where to jump: Abi, Aula, or BVF. If **you** are the Principal, you decide. If no one is the Principal yet, stay put OR jump to Saal 1. (Agree upon this before game starts).

Jenny gets to decide if you stay, jump to Saal 1 by yourself, OR if you **both** jump to Chulos. If no one is Jenny yet, stay and sing.

Have fun making up your own rules for these! Or not.
