

# Solution

**Whaaabaaam, you did it!**

You carefully studied the letter and cut out the 12 mysterious pieces to put them together. You only needed four pieces for the solution because “Dr. Mops ist rot” is the key. Bingo!

Which means that the correct code is Emma's birthday:

# 255

Visibly relieved and happy about their success, Emma and Jenny finally enter the cabin. As for what awaits them inside? Well, for sure a woolen blanket that will be shared in a terribly awfully in love kind of way ... Haaaach ... (swoon)

**STAY JEMMA!**
